ANNEX - LIST OF THE MOST REPRESENTATIVE SERVICES RELATED TO A PAYMENT ACCOUNT

TERM	DEFINITION
ACCOUNT MAINTENANCE	The account provider manages the euro account used by the customer.
PROVISION OF A DEBIT CARD	The account provider provides a payment card linked to the customer's account. The amount of each transaction made with this card is charged directly and in full to the customer's account.
PROVISION OF A CREDIT CARD	The Account Provider provides a payment card linked to the Customer's payment account. The total amount of the transactions made with this card during an agreed period of time is debited in full or in part from the Customer's payment account on an agreed date. A credit agreement between the Provider and the Customer determines whether the Customer will be charged interest on the amount borrowed in the case of a revolving credit card.
PROVISION OF A PREPAID CARD	The Account Provider provides a payment card that is linked to the customer's payment account and is used to store electronic money. The amount of each transaction made with this card is taken directly and in full from the amount loaded on the customer's prepaid card.
CASH WITHDRAWAL IN EUROS (SEPA)	The customer withdraws cash from his euro account.
CASH WITHDRAWAL IN ANOTHER CURRENCY	The customer withdraws cash from his account in a currency other than the euro.
TRANSFER IN EUROS (SEPA)	The account provider transfers money from the customer's account to another account in euros in the SEPA zone on the customer's instructions.
STANDING ORDER IN EUROS (SEPA)	The account provider makes regular transfers of a fixed amount from the customer's account to another account on the customer's instructions.
DIRECT DEBIT IN EUROS (SEPA)	The customer authorizes someone else (the beneficiary) to instruct the account provider to transfer a sum of money from the customer's account to the beneficiary's account. The account provider then transfers the relevant amount to the beneficiary on the date(s) agreed between the customer and the beneficiary. The amount involved may vary.

OVERDRAFT FACILITY	The account provider and the customer agree in advance that the customer can go negative when there is no more cash in the account. The agreement defines the maximum amount that can be borrowed and whether the client will be charged fees and interest.
ACCOUNT INSURANCE	The account provider offers insurance related to the customer's account.
ACCOUNT STATEMENTS	The account provider provides information on the customer's account balance and transactions.
